

# Sunny Days in Second Grade

## Learning Spotlight

This week in reading we will finalize our classroom procedures. Students will help create expectations and begin choosing "good-fit books". Students will learn to ask questions while reading narrative texts). Please practice these skills at home when reading at night for homework. In writing we will begin

writing our first narrative, based on an "OUCH"! In math, students will continue to build fluency for adding and subtracting within 20, focusing on specific strategies. In social studies, we have begun talking about community and government jobs and their importance to us.

### National Geographic

Please send in \$5.00 for your child's National Geographic subscription as soon as possible.

### Letterland

Letterland is very similar to what you saw in 1st grade. Homework will be as follows:

- Monday- Read 2 times (parent sign word list sheet)
- Tuesday-Look-say-cover-write
- Wednesday-Write 6 sentences
- Thursday-Written practice test
- Friday-turn in all Letterland homework on Friday

### Specials Schedule

- Monday—Computers
- Tuesday—PE
- Wednesday—Music
- Thursday—Art
- Friday—Media

### Friday Journals

Each Friday, your child will write to you in his/her Home/School Journal telling you about his/her week. It will be your homework to respond to your child by writing back to him/her in the journal. It is your child's responsibility to bring the journal back to school each Monday. There are some suggested sentence starters in the front of the composition book for both you and your child. Kids are really excited about this so please make sure to respond to them!

### Curriculum Night

Thursday, July 21 from 6-7:30pm we will be sharing our second grade curriculum. Second grade will be "presenting" together in a designated room. I will send a confirmation email once this has been determined. We have been asked to invite all parents to a "Kids Free" event to learn about what to expect! If you are unable to attend, please shoot me an email and I will be happy to send you the slideshow!
